Redemption's Radical Transformation

Redemption is accomplished by the miraculous incarnation, vicarious life, penal-substitutionary death, and death-defeating resurrection of the God-man, the Lord Jesus Christ. (Biblical Doctrine..MacArthur)

The Father's plan of redemption – his intention to rescue his creatures from sin and death and to restore them to a right relationship with himself.

Acts 2:23 and Acts 4:27-28 shows us that it was God's plan that was at work not man's response to the Lord's work here.

It's God's love in full display that we see in redemption.
