What is Salvation

- God's plan of salvation began in eternity past in that He appointed the Lord Jesus Christ to accomplish redemption on behalf of the elect by becoming our substitute paying the penalty of our sin. Eph 1:4
- Salvation is the sovereign gift of God's grace accepted by faith delivering a sinner from the power and curse of sin and restoring that individual to fellowship with God through His Son.
- The salvation of sinners that are perishing has the primary purpose to bring glory and honor to their Savior, the Lord Jesus Christ. 1 Tim 1:17
